

**The Role of Education  
in America's Future  
Clean Energy Economy**

Climate Change Summit  
November 9, 2010

**Glenn Cummings**  
from Kristina M. Johnson  
U.S. Under Secretary of Energy

The slide features a background of a light green hexagonal pattern. On the left, a cluster of hexagons contains various images related to energy and technology, such as solar panels, wind turbines, and laboratory equipment. A green dashed line with a solid green line at the end extends from the top right towards the center. The U.S. Department of Energy logo is in the top right corner. The title and speaker information are centered on the right side of the slide.
